Based in London's West End we offer notarial and solicitor services. We pride ourselves on providing a friendly, efficient and rapid service whether you are a private individual, a partnership or a corporate Organization. Our boutique practice enables us to offer our clients a tailor made support according to their specific requirements. Our multilingual staff speak a variety of languages: Italian, Russian, French and Spanish to name but a few.

We are proud to be one of the first practices to have been set up as an LDP (Limited Disciplinary Practice) where lawyers and non-lawyers co-operate to provide legal, accounting and other professional services, offering a multidisciplinary support to our clients.

Our team comprises expert Solicitors, included Qualified Italian Lawyers, a Chartered Accountant and Notaries Public.

Our Services Include

Notarial Services

We arrange for corporate documents to be certified by our lawyers and notaries public who have the authority to witness and attest to certain documents (such as deeds, agreements, power of attorney), and so make them official and legal in most countries of the world. Their signatures and official seals are the evidence to the authenticity of writings, which make documents recognised internationally.
